## **REACH SVHC Statement, 219 Substances**

Under the definition of the REACH regulations EC1907/2006, *KZ Valve* is a producer of “articles”. REACH requires article suppliers to inform recipients if an article contains a Substance of Very High Concern (SVHC) in excess of 0.1% by weight. The latest 219 substances restricted per REACH Regulation were last updated on July 8<sup>th</sup>, 2021, in accordance to article 59(10) of the REACH Regulation. The list can be found at:

Based on the material content certification’s provided by *KZ Valve*’s suppliers, none of these substances are present in the materials we use in our products, including packing and shipping materials. Therefore, *KZ Valve* products do not contain any of these SVHC in excess of 0.1% by weight, and as such none of the aforementioned substances are imported at or above one tonne per year.

*KZ Valve* will continue to comply with REACH requirements and notify customers of any change in article content.
