## **RoHS Certificate of Compliance**

*KZ Valve* certifies that all of our products designated and marked as RoHS compliant conform with the requirements of Directive (EU) 2015/863 as intended to annex II to (EU) RoHS II (directive 2011/65/EU) on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS Directive"). Said products having no intentional addition of the following:

- Lead (Pb) <1000PPM (.1% by mass)
- Cadmium (Cd) <100PPM (.01% by mass)
- Mercury (Hg) <1000PPM (.1% by mass)
- Hexavalent Chromium (Cr) <1000PPM (.1% by mass)
- Polybrominated Biphenyls (PBB) <1000PPM (.1% by mass)
- Polybrominated Diphenyl Ethers (PBDE) <1000PPM (.1% by mass)
- Bis(2-ethylhexyl) phthalate (DEHP) <1000PPM (.1% by mass)
- Butyl benzyl phthalate (BBP) <1000PPM (.1% by mass)
- Dibutyl phthalate (DBP) <1000PPM (.1% by mass)
- Diisobutyl phthalate (DIBP) <1000PPM (.1% by mass)

*KZ Valve* believes to the best of its knowledge that the above statements are accurate as of the date of this certification and the statements and certifications of suppliers or service providers of *KZ Valve* may have been relied upon in the preparation of this statement. Within the above defined limitations, this certificate may be relied upon by the distributors and customers of RoHS designated products of *KZ Valve*. This certification is valid unless superseded by a revised certification at a later date. Contact us or view the website for further information regarding RoHS.

**EFFECTIVE DATE:** January 17, 2019
